

CROSS ENROLLMENT

Cross enrollment provides an opportunity for students enrolled in one Bethel school to take specific courses in another Bethel school as a guest student. Students must first consult their academic advisor or student success advisor before undertaking the cross enrollment process. Requests are subject to approval by advisors, department chairs or program directors, and deans. Limitations may include prerequisites, available space, program restrictions and the number of courses at the host school in which a student may enroll.

NOTE: Adult undergraduate courses are not open to students currently enrolled in the traditional undergraduate school at Bethel University except where specific agreements exist between the deans of both schools.
