

COLLEGE OF ARTS & SCIENCES

Pursue your calling. Become who you're meant to be.

Bethel's a place where we challenge each other and support each other. Where we're committed to spreading Christ's love and serving the people around us. Where we work side by side with brilliant professors on projects that reach far beyond the classroom. Where we have a lot of fun and make friends and memories to last a lifetime.

College of Arts & Sciences

The College of Arts & Sciences (CAS) is Bethel's undergraduate college for more than 2,300 recent high school graduates and transfer students. We take a whole-person approach to education—encouraging each person to achieve academic goals, grow deeper in faith, and engage in a lively community, all with Christ at the center. Distinctives include over 80 majors in inviting fields—such as the arts, humanities, business, natural sciences, and social sciences—small class sizes, and a robust study abroad program. Highly credentialed faculty members are dedicated to teaching, integration of faith and learning, and the translation of Christian belief into global service. The college consistently ranks among the top Midwestern universities in many college rankings.
